Consent Order for 'Consent to Operate' (for office use only)

No.

Date :

The West Bengal Pollution Control Board hereby grants its '**Consent to Operate**' under section 25 & 26 of the water (Prevention & Control of Pollution) Act, 1974 and under section 21 of the Air (Prevention & Control of Pollution) Act, 1981 and the Rules and Orders made thereunder to M/s.....
.....for its unit located at
.....
to run the industrial plant and to manufacture/store/install.....
for a period from.....to.....to operate the industrial plant and to discharge liquid effluents through outlets/outfalls and to emit the gaseous emission in accordance with the conditions as mentioned below provided on any day at any instant the quantity and quality of liquid discharge and gaseous emission shall not exceed the permissible limit as specified in the Environment (Protection) Act, 1986.

Breach of the conditions and/or failure to comply with the directions/conditions as stated below shall render the applicant liable for prosecution under the provisions of Water (Prevention & Control of Pollution) Act, 1974 and Air (Prevention & Control of Pollution) Act, 1981.

The State Board reserves its right to revoke, withdraw or make any reasonable variation of the conditions of or change or alter this consent by giving one month's notice to the applicant.

Conditions

01. The Applicant shall be responsible for the quantity and quality of liquid effluent and gaseous emissions.
02. The Applicant shall maintain the quality of liquid effluent discharge and air emissions and noise levels within statutory limits as mentioned in Environment (Protection) Act, 1986.
03. The Applicant shall submit analysis reports of the testing of liquid effluent and air emissions by Board-recognised laboratories with their applications. In case of any discharge/Emission is involved in the process of manufacture.
04. To bring into any change in industrial plant, furnace, flues, chimneys, place and/or point of discharge of liquid and gaseous effluents, pollution control equipments the Applicant shall obtain prior permission of the Board in this regard.
05. The Applicant shall maintain good house keeping, good working condition and take adequate measures for control of pollution from all sources.
06. The Applicant shall bring about at least 33% of the available open land under green coverage/plantation.
07. The Applicant shall control the fugitive emissions from the activity so as to maintain clean and safe environment in and around the factory premises.
08. The Applicant shall provide drainage system for conveying liquid wastes.
09. The Applicant shall allow the officers of the Board to enter into the applicant's premises at any reasonable time for inspecting the unit.
10. The Applicant shall make an application to the State Board in the prescribed form for renewal of the consent at least 30 days before the date of expiry of this consent.
11. The solid waste generated within the factory premises, sweepings etc. be disposed off scientifically so as not to cause any nuisance/pollution.
12. The Applicant should adopt adequate precautionary measures to prevent any inconvenience or annoyance to the denizens of the locality due to its activity or be a cause for environmental concern.
13. In case of using Diesel Generator, adequate precautionary measures to be taken as per norms fixed up by CPCB.
