

**Government of West Bengal
Office of the District Magistrate, Nadia**

**NOTICE INVITING RE-TENDER of Original Tender Notice no 17/IT Dt. 1/8/2011
and Corrigendum Notice No 19/IT Dt. 4/8/2011**

Memo. No. 22 (IT)

Date 05/09/2011

Properly sealed tenders are invited from Kolkata based reputed Manufacturers/Dealers/Supplier for Supply of items noted below on rate contract basis as shown in the annexure to NIT in separate Annexures, as per requirement shown against items noted in the document.

Annexure I: Hardware Items required for LAN

Bid has to be submitted on TWO-ENVELOPE basis, First envelop (technical Bid) should carry the credential and experience of agencies in the field. Tender Cost and EMD (Earnest Money Deposit) in the form of demand draft are also to be enclosed in the Sealed Envelope. In absence of tender cost and EMD, tender will be summarily rejected.

- (a) Price Proposal to be enclosed as per proforma.

Annexure II: Fibre optics backbone material and implementation charges.

- (a) Bid has to be submitted on TWO-ENVELOPE basis, First envelop (technical Bid) should carry the credential and experience of agencies in the field. Tender Cost and EMD (Earnest Money Deposit) in the form of demand draft are also to be enclosed in the Sealed Envelop. In absence of tender cost and EMD, tender will be summarily rejected.

- (b) Price Proposal to be enclosed as per proforma.

Annexure III: Implementation charges for Internal LAN for Distribution of Line from OFC backbone for laying Cat 6 cable, fixing I/O port, Rack and Electrical Points with electrical fittings, Board, switches, main switches.

- (a) Bid has to be submitted on TWO-ENVELOPE basis, First envelop (technical Bid) should carry the credential and experience of agencies in the field. Tender Cost and EMD (Earnest Money Deposit) in the form of demand draft are also to be enclosed in the Sealed Envelop. In absence of tender cost and EMD, tender will be summarily rejected.

- (b) Price Proposal to be enclosed as per proforma.

Any bidder who wants to participate shall have to bid for all three annexures. Tender Cost and Earnest Money Deposit shall also be submitted separately.

All bidders willing to participate shall have to submit copies of up-to-date IT returns, VAT, Trade License, Professional Tax certificates. It may be noted that mere production of enrolment certificates is not sufficient; the tenderers have to submit at the time of dropping of tenders up to dates returns (in the form of Challans etc.) of Taxes noted above.

They shall have to submit requisite credential in terms of works executed of similar nature in an organization. Credential shall be accepted only in the form of Credential Certificates / Payment certificates issued by competent authority. The decision of tender committee in the matter of credential and eligibility of the participating agencies is final and absolute.

Tender specific Authorization from Hardware manufacturers and compliance statement duly signed by the intending bidders shall be submitted.

Rate should be quoted including cost of 5 years' warranty for active components and maintenance of network cables (CAT 6 and OFC) also for five years shall be submitted.

ISO certification of agencies is desirable.

The successful bidder shall have to enter into an agreement entailing conditions for strict compliance.

1. Period of contract : Six months from the date of award of work.
 2. Period of execution : Two months from the date of award of work.
 2. EMD :
Rs. 20000/- (Rupees twenty thousand only) for items noted in Annexure A
Rs. 20000/- (Rupees twenty thousand only) for items noted in Annexure B
Rs. 10000/- (Rupees ten thousand only) for items noted in Annexure C
 3. Mode of payment : Tender document could be purchased by applying cost of bid document Rs. 500/- either in cash payable at Nazareth, Nadia or DD drawn in favor of the District **Magistrate, Nadia** payable at Krishnagar. The same can be downloaded from nadia.nic.in in which case, the cost of the tender documents of Rs. 500/- is required to be paid in the form of crossed DD drawn in favor of **District Magistrate, Nadia** and enclosed to the tender documents. EMD is to be paid in the form of Crossed Demand Draft issued by a scheduled bank, drawn in favor of **The District Magistrate, Nadia**.
- A pre-bid review meeting shall be held at the chamber of the undersigned on 20.9.2012 at 4:00 pm.*
4. Time & last date of Submission of BID: - 14:00 Hrs. of 26.9.11
 5. Time & Date Bid opening: 14:30 Hrs of 26.9.11
 7. It is mandatory that the intending bidder shall be able to supply all the items put to tender and hence they have to quote for all the items in particular Annexure, failing which the tender is liable to rejection.
 8. The tender, which is not accompanied by the requisite EMD and relevant documents as enumerated in the NIT shall be summarily rejected. Tender will not be accepted/received after expiry of date & time. The District Magistrate, Nadia reserves the right to reject any or all tenders without assigning any reason what-so-ever.
 9. The rate should be exclusively for **District Magistrate, Nadia**
 10. The technical/commercial bids should be in two separate sealed covers clearly marked as TECHNICAL BID and 'COMMERCIAL BID'. The bid has to be accompanied by an Earnest Money Deposit (EMD) and Tender Cost of requisite value in the form of a demand Draft in favor of "The District Magistrate, Nadia", payable at Krishnagar. Such Drafts should be in separate third cover marked as 'EARNEST MONEY DEPOSIT'.

- The TECHNICAL BID should include the name and address of the firm/company, annual turnover, details of past experience and the offices where they have been performing such duties along with the supporting documents/certificates. Technical Bids should not contain any commercial quotes.
- The COMMERCIAL BID should contain the rate against each item separately. The quoted unit rate will be considered for evaluation purpose. All sections of relevant annexure should be properly filled up.
- Technical and Commercial bids should be in clear words, categorically mentioning each and every term specifying the rates, etc. Any kind of ambiguous/obscure/unclear terms would lead the firm's bid being disqualified.

11. The rates quoted should be legible. Pencil entries and over written entries shall be rejected.
12. No sub letting of contract is allowed.
12. The offers which do not conform to the conditions laid down in the tender notice shall not be considered.
13. The District Magistrate, Nadia reserves the right to disqualify such bidders who had a record of not meeting the contractual obligations against earlier contracts entered into with the authority.
14. In case bidder has any query they can contact DIO, Nadia at the office of the District Magistrate, Nadia.
15. District Magistrate, Nadia reserves the right to reject all or any tender without assigning any reason whatsoever.
16. Payment shall be made only after successful completion of work.
17. Free maintenance period should be mentioned in the financial bid.
18. Maintenance charge per year should be mentioned in the financial bid.

Addl. District Magistrate (General), Nadia.

Annexure I

Items required for Internal LAN for Distribution of Line from OFC backbone for laying Cat 6 cable, fixing I/O port, Rack and Electrical Points.

Sl. No.	Name of item	Unit In words	Rate (inclusive all taxes and 5 years onsite warranty/ Maintenance)
1	L2 CISCO Switch - Cisco catalyst 2960-24TT-L / Similar Cisco Higher Model	Per Unit	
2	L2 CISCO Switch - Cisco catalyst 2960G-24TC-L / Similar Cisco Higher Model	Per Unit	
3	L3 CISCO Switch-Cisco catalyst WS-C 3750G-24TS-S1U / Similar Cisco Higher Model	Per Unit	
4	6U-WM Rack of HCL	Per Unit	
5	9U-WM Rack of HCL	Per Unit	
6	CAT-6 UTP cables - Digi-Link	Per Unit	
7	RJ-45 I/O Box with face plate of Digi-Link	Per Unit	
8	RJ-45 Connectors - Digi-Link	Per Unit	
9	RJ-45 patch Cord 7 Mtr. - Digi-Link	Per Unit	
10	RJ-45 patch Cord 5 Mtr. - Digi-Link	Per Unit	
11	RJ-45 patch Cord 3 Mtr. - Digi-Link	Per Unit	
12	RJ-45 patch Cord 1 Mtr. - Digi-Link	Per Unit	
13	24 Port CAT6 patch panel - Digi-Link	Per Unit	
14	Cyberoam CR500i with Version 10 Internet Gateway with built in Antivirus, Anti spam, Firewall, Content Filtering, Bandwidth Management, Multiple Link Management, VPN, ON-appliance Reporting and Hacking Protection Software with 3 years subscription	Per Unit	

Annexure II

Fibre optics backbone material and implementation charges.

Sl. No.	Description of works	Unit In words	Rate (inclusive all taxes and 5 years onsite warranty/ Maintenance)
	Commissioning of LAN for the building covering collectorate Campus of Nadia,DM Bungalow,ADMs Bungalow,Circuit house through OFC upto the end of Ethernet port through media converter at both end of each connectiity alongwith testing certificate of entire network by appropriate tools of approximate length 2040 metre. The above job should include following standard or make specified items of required numbers as stated below (less or more).		
1	OPTICAL FIBER 6 Core multi mode - Digi-Link	Per Metre	
2	OPTICAL FIBER 12 Core multi mode - Digi-Link	Per Metre	
3	Standard Fiber Termination Box - Rack Mount	Per Unit	
4	0 Db COUPLER 24 - Digi-Link	Per Unit	
5	PIGTAIL - Digi-Link, SC-MM	Per Unit	
6	OPTICAL PATCH CORD (multi) of make Digi-LINK - SC-LC	Per Metre	
7	OPTICAL PATCH CORD (multi) of make Digi-LINK - SC-SC	Per Metre	
8	Media Converter(Multi Mode) of make Digi-LINK, SC	Per Unit	
9	Laying of OFC on surface with Standard FLEXIBLE PVC PIPE, CLAMPS, NAILS ETC	Per Unit	
10	Outdoor fibre optics cable lying charges	Per Metre	
11	LIU Fixing and termination charges(Splicing)	Per Unit	
12	Trenching with all materials including laying of 1" Dia GI Pipe with 2mm thickness with rope where required	Per Metre	
13	Underground Micro Drilling with all materials including laying of 1" Dia GI Pipe with 2mm thickness with rope where required	Per Metre	
14	OTDR Testing	Per Core	
15	Pentascan Testing	Per Point	
16	Multi mode Transreceiver GLC-SX-MM	Per Unit	

Annexure III

Implementation charges for Internal LAN for Distribution of Line from OFC backbone for laying Cat 6 cable, fixing I/O port, Rack and Electrical Points.

SI No.	Item	Rate (inclusive all taxes and 5 years onsite warranty/ Maintenance)
1	CAT 6 cable with casting(Rate/Metre) with standard PVC Pipes, Clamps, Nails, Etc.	
2	Fixing I/O box	
3	9U and 6U Rack mounting	
4	Electrical wiring(Rate/Metre) with Finolex- 12 Gauge, PVC insulated 3 Core of Copper Wire with Installation	
5	Electrical Board with 5 points. 1 nos 10-15Amp combination and 4 nos 10-5Amp combination (Finolex Premium) with Installation	
6	Havells 6 way MCB with Main Switch with Installation	
7	Havells 8 way MCB with Main Switch with Installation	
8	Havells 12 way MCB with Main Switch with Installation
